
BRC Inter-area L&SE Championship, Sunday, 6 October
Snowball Farm EC, Dorney Wood Road, Burnham, Bucks SL1 8EH

Helpers 1, 2 and 3:

Thank you all for volunteering as helpers. Without your help the event could not run. I am grateful to you all.

1. Cross country fence judges

The following have been allocated to WBRC who are running the Horse Trials as cross-country fence judges. One or two of you may have expected a different role but this is the area that requires the most helper input. Some have written that you are a novice helper. Don't worry. You will all be well briefed.

WBRC will provide you all with sustenance. **Please bring re-useable mug for hot drinks, as well as hi-viz tabards, jacket or gilet.** You may want a folding chair if you would prefer to be outside of your vehicle.

10:00 XC briefing. It is essential that you all attend this.
You will be given all you require including a radio.

11:00 First horse on xc course

13:20 Final horse – approximately

Please contact Penny Gurland 07823 327609 if you are delayed at the last minute.

You have been allocated in pairs.

2. Hospitality helpers

You have all been allocated to helping with hospitality catering for our key organisers, scorers, stewards, xc control and starters, judges, scribes, paramedics, vet and farrier. It is really important that these people, many of whom have to stay in one place are well cared for throughout the day.

Diane Hunt will be in charge and will be based in a white trailer close to the Secretary and XC Control bus. Please report to her before to your helper time starts.

0830-1100	Chanie Evans Annemarie Spalding	Chipstead
1100-1400	Sally Lark Candace Brook	Berkshire Newlands Corner
1400-1630	Jo Harris Tess Bayliss	HWRC Northwood

Should give time to take horse home first

3. Road crossing

The following have been allocated to the road crossing between the parking area and the show jumping arena and the route to the cross country course.

Apart from making sure everyone crosses back and forth safely, you will need to liaise with the show jumping warm-up steward as only six horses are allowed in the warm-up arena at any one time. You may have to discourage show jumpers from crossing if they are too early. Encourage them to continue to warm up at the back of the parking area.

Please all wear a hi-viz jacket, tabard or gilet at all times while doing road crossing duty. You should NOT wave cars down. They may stop voluntarily.
